1942 A. N. A. Convention: The 1942 convention of the **American Numismatic Association** will be held at the Netherland Plaza Hotel in Cincinnati, Ohio, from August 22nd to 27th.

The convention executive committee consists of **Thos. G. Melish, Chris Rembold,** and **Wm. J. Schultz,** numismatists of national repute. As managing director they have appointed **Sol Kaplan,** who has had considerable experience with coin conventions for a number of years. He is assisted by **Harry Brake,** a past president of the **Cincinnati Numismatic Association,** host club to the convention. Publicity Director is **Edward S. Horwitz,** Stamp Editor of the *Cincinnati Enquirer,* and a writer for national stamp and business magazines. Mr. Horwitz has had exhaustive experience in handling and publicizing conventions for the past twelve years, and is well-qualified for the job.

Able committees have been appointed to handle every phase of the convention, which includes the bourse, the exhibit, registration, reception, and entertainment. Separate committees have been set up to arrange entertainment for the men and the women, so that if desired each may be free to go his or her own way, and not worry about friend husband or wife. There will be plenty of social affairs, parties, trips about the city, visits to the historic Taft Museum, and the nationally-known Rookwood Pottery; Cincinnati's own Coney Island, a large amusement park which is reached by a trip up the scenic Ohio River by boat, and many other events too numerous to mention, topped by the annual banquet at the close of the convention in the Pavillon Caprice of the Netherland Plaza, reputed to be one of the most beautiful night-clubs in the world.

For an entertaining and educational trip, plus a wonderful opportunity to relax a little in these trying times, all collectors are urged to reserve the dates of August 22nd to 27th, and come to Cincinnati for their vacation. Time could not be better spent. You're invited, one and all.
